## MUSEUM OF AMERICAN ART

### **Registrar of Collections (rank open)**

Crystal Bridges is seeking a talented and dedicated candidate to fill our vacant Registrar of Collections position. This position serves as a key member of the collections management team, contributing to the care, safe handling and record-keeping of artworks in the museum's growing permanent collection. The Registrar of Collections will play an important role in supporting our robust outgoing loan program, as well as managing the use of collections images. The ideal candidate has experience in museum registration and/or collections care. Applicants should be collaborative, inquisitive, detail-oriented, and motivated to care for a unique and powerful collection of American art. Strong interpersonal, organizational, writing, proofreading and analytical skills are vitally important.

#### **Qualifications:**

B.A. with course work in art, art history, or museum studies or equivalent experience preferred.

Application deadline: March 31

In support of the Museum's mission to welcome all, Crystal Bridges is committed to a diverse workforce. For full job description and application information, please visit:
