Posting Type	Faculty

The Department of Art History at the University of Wisconsin-Milwaukee seeks a full-time, tenure-track Assistant Professor/Director, Emile H. Mathis Art Gallery and UWM Art Collection, beginning August 2018. A Ph.D. in Art History or related field required. The specialization is open; however, we seek a candidate who will expand, but not overlap with, the research and instructional areas already represented by faculty in the department. Within these general parameters, preference will be given to candidates whose specialization also complements the strengths of the UWMAC, which includes significant holdings in African art, Greek and Russian icons, modern German Art, and, more generally, works-on-paper.
