

**EXHIBITS SPECIALIST (COST ESTIMATING)
SMITHSONIAN EXHIBITS, SMITHSONIAN INSTITUTION**

Smithsonian Exhibits develops, designs and produces exhibitions for the Smithsonian community. Not affiliated with any one museum, it has the unique opportunity of providing a wide range of permanent, temporary and traveling exhibitions across the Institution.

Location:

Landover, MD

Major Duties:

- Prepares detailed cost estimates for all phases of exhibit design and production of museum exhibitions
- Works with project teams throughout the design and production phases to updates and maintain progressively detailed cost estimates
- Assists in the specification, sourcing and/or purchasing of products, materials, services and/or vendors

Salary Range:

\$66,510–\$86,460
